Image spending the afternoon at a palatial Beverly Hills mansion with a slew of celebrities and their precious pups.

Such was the case, this past Saturday, as DogsInDanger.Com and [Reality Cares](http://RealityCares.com) joined forces to present a swanky fundraising event called "The Dogs Next Door" at the private estate of Michael Scott in Beverly Park!

Celebrities and reality stars from today's hottest shows enjoyed delicious foods, sipped cocktails and lounged poolside to raise money for DogsInDanger, an animal welfare

organization that was recently featured on “Oprah” for their hard work in raising awareness of just how many dogs are currently being killed in shelters.

The event was hosted by DogsInDanger spokesperson **Shana Wall** of *The Amazing Race* and emceed by **Jai Rodriguez** (pictured on the left) of *Groomer Has It*. It also featured the fun-tastic sounds of **DJ Dimitri Hamlin**, a "Doggie fashion show" and several fun activities for all us lucky folks in attendance.

Spotted throughout the festivities were *American Idol*'s Ryan Seacrest, *Access Hollywood*'s Maria Menounos, *Work Out*'s Rebecca Cardon, Pamela Hasselhoff, *American Gladiators* "Justice" Smith, *Days of Our Lives* star Kristen Renton, *Amazing Race*'s Tian Kitchen and actress Ileana Douglas. Here are some fab photos from this fun-filled soiree for you to enjoy.
